Sir,

Subject - Sanction for the purchase of Iron Safe and for the disposal of conservancy carts during 1939-40 and 1940-41 in Narasimharajapura Municipality

I have the honour to state that during the course of the audit of the Municipal Accounts of Narasimharajapura Municipality for 1939-40 and 1940-41, the Auditors have observed two items for which competent sanction was necessary

(1) Purchase of an Iron Safe for Rs 88/- on 16-1-1940

(2) Disposal of Conservancy Carts in the Municipality for Rs 22/- per mensem and Rs 24/- Per Mensem during 1939-40 and 1940-41

On this objection, the President, Narasimharajapura Municipality has requested for sanction of the above two items to regularise the transactions In reply to an enquiry from this Office as to why prior sanction was not obtained by the Municipal Council, it is reported that the reasons for this omission are not known The purchase of the Iron-Safe was not covered even by a resolution of the Municipal Council A fresh Resolution has now been obtained by the President on 22-7-1947

In the circumstances, I request that sanction of Government may kindly be obtained for the above two items objected to in audit and the sanction communicated early I may observe that it was very irregular on the part of the President to have purchased the Iron-safe without even obtaining the approval of the Municipal Council

I request
